

Getting SYNERA for your patients is now a SNAP!

SNAP...The SYNERA NOW Access Program makes it easy for you to prescribe and your patients to receive SYNERA

It's so easy that you'll be done in a SNAP!

Step 1:

Have your patient complete the **left side** of the SNAP enrollment form titled: PATIENT ENROLLMENT INFORMATION. The patient **MUST** sign the form where indicated.

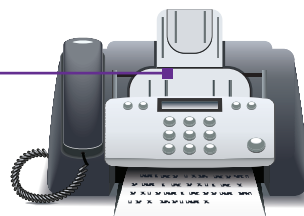

Step 2:

The prescriber or office can complete the **right side** of the SNAP enrollment form titled: PRESCRIBER INFORMATION. The prescriber **MUST** sign the form where indicated. If e-prescribing, you must still have the patient complete and sign the PATIENT ENROLLMENT INFORMATION. This information is required to allow the SNAP representative to contact the patient.

The form is titled 'SNAP...The SYNERA NOW Access Program PHARMACY ORDER FAX'. It is divided into two main sections: 'PATIENT ENROLLMENT INFORMATION' on the left and 'PRESCRIBER INFORMATION' on the right. The patient section includes fields for Name, Address, City, State, ZIP, Last Four Digits of SSN, Date of Birth, and Primary Address. The prescriber section includes fields for Name, Address, City, State, ZIP, Last Four Digits of SSN, Date of Birth, and Primary Address. There are also sections for 'PRESCRIPTION INSURANCE INFORMATION' and 'PATIENT ENROLLMENT AUTHORIZATION'. A signature line is provided at the bottom right for the patient.

Step 3:

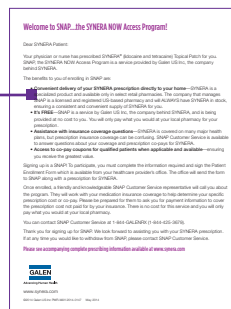

Fax fully completed and signed form to SNAP Customer Service: 1-866-694-2555.

This is a duplicate of the form shown in Step 1, but with the 'PRESCRIBER INFORMATION' section on the right side filled out. The 'PATIENT ENROLLMENT INFORMATION' section on the left is blank. The signature line at the bottom right is for the prescriber.

Step 4:

Provide your patient with the SNAP Patient Introduction Letter.

SNAP...The SYNERA NOW Access Program Office Guide

SNAP is supported by Galen US Inc, the makers of SYNERA and is a service provided to patients at no additional cost...patients will only pay what they would have at their local pharmacy with the convenience of having their prescription delivered directly to their homes.

SNAP benefits you and your patients by:

- **Ensuring SYNERA is available**—The administrator of SNAP, is a licensed and registered US-based pharmacy that will ship SYNERA directly to your patients and ALWAYS have SYNERA in stock so there is no concern over finding a retail pharmacy that carries SYNERA.
- **Providing assistance with insurance coverage questions**—SYNERA is covered on many major health plans, but understanding prescription insurance coverage can be challenging for patients. SNAP customer service is available to patients to answer questions about their coverage and prescription co-pay for SYNERA.
- **Delivering SYNERA directly to their homes**—Your patient's prescription will be filled and delivered directly to their homes.
- **Providing access to co-pay coupons when applicable and available**—ensuring patients receive the greatest value for their prescription.

At any time patients may opt-out of SNAP by calling SNAP Customer Service at: **1-844-GALENRX (1-844-425-3679)**.
