

SYNERA[®]
(lidocaine and tetracaine) Topical Patch

WELCOME TO THE GALEN ACCESS PROGRAM

SYNERA direct to your door, for no cost other than your co-pay

Your doctor has sent your SYNERA prescription to be filled through Transition Pharmacy, where you get these benefits:

- SYNERA Savings Program Co-pay cards and patient discount programs (where applicable)
- Convenient home delivery
- Assurance that SYNERA will always be in stock
- Pharmacy coordinators are always available to answer questions about SYNERA

Getting SYNERA filled with Transition Pharmacy is easy:

- 1. Prepare to receive a call from a (215) area code from a patient advocate representing Transition Pharmacy who will assist you with your SYNERA prescription.**
 - Have your date of birth, prescription, insurance information, and a form of payment handy

NOTE: If you do not receive a call from Transition Pharmacy within 48 hours, please call the pharmacy at 1-844-GALENRX (1-844-425-3679). A patient advocate will be able to assist you.

- 2. The pharmacy will contact your insurance provider to confirm your coverage and verify your co-pay.**
 - If you have coverage limitations, patient advocates will conduct benefit investigations, answer insurance questions, administer the Co-pay Savings Program, and arrange for shipment of SYNERA at the best price directly to your home

- 3. Your SYNERA prescription will be filled and shipped directly to your home, at no additional cost, arriving within a few days.**

Questions about your prescription? Call **1-844-GALENRX (1-844-425-3679)**.

Patient advocates are available Monday-Friday 9AM-8PM EST and on Saturday 9AM-1PM EST.
